### Referrals Made Today

Your blood pressure has been high for your past few visits. We connected you with multiple nearby low cost Primary Care clinics that can establish you as a patient. Connecting with a Primary Care Provider for annual visits and chronic care management is crucial for healthy outcomes. Please notify our clinic if you are unable to connect with one of the referred locations.

We connected you with Watermark Community Church ministries. We hope these resources will be a blessing to you!

## FOLLOW UP

Return to the Skillman Clinic in 2 days for a wound check.

## PASTORAL CARE NOTES

February 2020 -

During first visit, Uwadiale shared that he had recently moved to the US. His wife and kids are still in Africa. He has a 3 month old son he has never met. We prayed for God's peace in these circumstances.

-Ashley, Front Desk Volunteer

April 2022-

Uwadiale updated us that his wife has left him and he is feeling depressed and anxious. He has struggled with churches because of hypocrisy he's seen. Talked about healthy church membership and helped him fill out connection survey. - Garrett, Med School Student/Tech Volunteer

January 2025 -

During a lengthy visit, Uwadiale opened up that he was struggling with where his life is currently. We discussed Psalm 16:11, finding life in Jesus, and changing who he spends time with. - Jesse, Charge Nurse

April 2025 - Uwadiale returned in much higher spirits than his last visit. He has attended membership classes at Watermark and the single adults gathering. He is ready to become a church member. - Jesse, Charge Nurse
